

Santa Fe H.S. Band

Dear Parents,

We are in the process of preparing the printed program for the Spring Concert. If you would like to include an advertisement for your business or a business of a friend or colleague, please fill out the form for business ads. The size of the ads and the costs are printed on a diagram on a separate page. There will be approximately 600 programs printed and they will be distributed to families from Summit, Cheyenne and Central Middle Schools and Santa Fe High School.

Additionally, we are accepting student recognition for the program. This can include pictures, letters, comments or best wishes in any of the sizes listed below. These student salutes are very special for the students. Friends or families may like to sponsor an ad that includes favorite band pictures or an arrangement of pictures. We would like to include as many students as possible so if families would like to go together and share the space and the cost it is encouraged. Use your imagination and let's recognize many of our talented, dedicated band students! The printed program will become a keepsake that many of you will treasure for years to come.

Submit your ad and payment to Mr. Lowery, or give to your Middle School director. Please mark all materials including pictures and payments in an envelope marked "Spring Program". Please make all checks payable to: Santa Fe High School Band. The purchase of an ad may be tax deductible. Your pictures will be returned to your director after the program has been printed, please do not send photocopies of pictures.

All advertisements must be received by Monday, April 13. You may provide "camera ready" art, or just write out the information. If your advertisement is in digital form, you may email it to edmondprinting@sbcglobal.net. (Please include Spring Concert in the subject line.)

Thank you for supporting the Santa Fe Band program!

Full page ad - \$125.00 (10" x 7½") Includes Web Link

1/8 page ad - \$25.00
